## OBJECTIVE

I am an experienced graphic designer with a diverse portfolio seeking freelance work. Having worked at places ranging from small studios to large corporations has allowed me to learn flexibility, organization, and communication. I enjoy being part of the team and working under deadlines. As a designer, I solve problems conceptually and always stay focused on the final objective of the project.

## ABOUT ME, SKILLS, PROGRAMS

A friendly, very organized creative, and outgoing individual who can get along well with others. Open to new ideas, learning from others, and having the opportunity to work with designers that hold the same passion for design. Hardworking, quick learner who is always ready and willing to learn all that I can to sharpen my skills in design while committing to complete tasks quickly and effectively. Fluent in Russian.

Adobe CS3-CS4: Illustrator, Photoshop, InDesign, IWeb. Microsoft Office: Word and Excel. And QuarkXpress.
